India: What Chennupati Vidya has achieved in 42 years Chennupati Vidya and her aid organization is helping advance women and girls in India. As she knows: Sustainable changes begin in the family. Thus her organization Vasavya Mahila Mandali focuses on the holistic advancement of girls and young women - within society, within the economy, and in particular through a well-founded education. Deutsche Bank has been supporting people like Chennupati Vidya for more than 20 years with its own advancement programs. You too can help and contribute to sustainable changes. Learn more under
